Poland

Plant: PROMA Sp. z o.o.
Address: ul. Lubliniecka 10, 47-120 Zawadzkie
Poland

Job No.: Z060190149

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, performed the initial inspection of manufacturing plant, assessed factory production control and has stated, that

- the product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the National Technical Approval:
NTA No. 060-049660 of 11/12/2019, issued by the Authorized Body 204, valid until 31/12/2022
- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned National Technical Approval and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 060-049661 of 13/12/2019, containing the conclusion of the findings, assessments, test results and description of the product necessary for its identification, is to be considered as an integral part of this certificate.

This certificate was issued first on December 13, 2019, and remains valid as long as the requirements given in the national Technical Approval, referred to hereinabove, or the manufacturing conditions in the factory or factory production control itself, are not modified significantly, unless suspended or withdrawn by the Authorized Body.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control at the manufacturer, selects samples at the factory and performs an audit-testing of samples to assess whether the characteristics of the product comply with the National Technical Approval according to Article 5, Clause 4, of the above mentioned Government Decree. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the manufacturer.

The person taking overall responsibility for this certificate:

Brno, December 13, 2019

Dipl. Ing. Miroslav Procházka
Deputy Manager of the Authorized Body 204
